Revised Elements

In order to continue to make the data collection process more effective and reliable changes in data elements may occasionally be necessary. These changes will be made only once a year if possible. The changes will be distributed before the submission date of the Fall Term data. Distribution will be done by publication of this document on Alabama Commission on Higher Education's Home page. If a printed copy of this document is needed please contact Diane Sherman at (334) 242-2742. The changed elements will be listed below. Additions or revisions in text will be underlined and deletions will be noted with the text marked through with a line. Additions or deletions of entire elements will also be noted in this section.

The following element has been included since the previous distribution of this document:

ST270 – Entering Freshman Cohort Year

The following elements have had revisions made since the previous distribution of this document:

ST240 – Transfer College

ED260 – Source Institution for Graduate Students

ED150 – Cumulative Quality Points for Average

Element Title:	Institution FICE Code
Short Title:	FICE
Reference Numbers:	ST010, GR010
Definition:	The identification number for each reporting institution will be the institution's FICE code.
Data Specifications:	The FICE code is the 6-digit identification code created by the Federal Interagency Committee on Education (FICE) and is used in all Integrated Postsecondary Education Data System (IPEDS) reports. A list of FICE codes will be found in Appendix A.
Element Format:	999999

Element Format: 9999

Element Type: Integer

Application: Retention and graduation rates, Student Source Survey, Biographical and demographic

Requirement Designator: Essential

Source of Definition: IPEDS

Source of Data: Provided by Institutions

Data Element Added: **October 2003**

Comment: This sequence element was created August 2003 to help identify cohort year of students. Previously, there were coding problems when trying to identify cohort year for students who had been concurrently enrolled during high school.

Element Title:	Cumulative Grade Point Average
Short Title:	CUMGPA
Reference Number:	ED300
Definition:	The cumulative grade point average that a student has earned through the reporting term at the current degree level at the reporting institution.
Data Specifications:	When recording GPAs, an implied decimal point will exist between the first and second digits. A GPA of 3.50 would be recorded as '350'. A 4 point scale will be used. The reporting institution will convert all 3 point scale GPAs to 4 point scales before reporting information to ACHE. If information is unknown or not reported a 999 will be used to report this element.
Element Format:	999
Element Type:	Integer
Application:	High School Report, Retention and Graduation Report

Date Element Added:	June 1999

Element Title:	Graduation Year
Short Title:	GRADYR
Reference Number:	GR060
Definition:	The calendar year in which the student graduates.
Data Specifications:	A four digit numeric code in the form of YYYY should be used in this field. The fall term for academic year 1998-99 would be reported with "1998" as the reporting year; winter, spring, and summer terms would be reported with "1999" as the reporting year.
Element Format:	9999
Element Type:	Integer
Application:	Student Graduation
Requirement Designator:	Essential

Element Title:	Term Degree/Award Conferred
Short Title:	GRADTRM
Reference Number:	GR070
Definition:	The term the degree or award is conferred will be identified by two alpha characters (FA = fall quarter/semester; WI = winter quarter; SP spring quarter/semester; SU = all summer terms.)
Data Specifications:	The reporting term will be each regular, academic term within the academic year. Institutions on the quarter system will report four terms (fall, winter, spring, and summer). Institutions on the semester system will report three terms per year (fall, spring, and summer). Short terms or "mini" terms will be reported with the term in which the institution usually reports them. For example, a three-month summer session plus one or two six-week terms would be reported together for the summer term.
Coding Options:	FA Fall quarter/semester WI Winter quarter SP Spring quarter/semester SU Summer quarter/semester

Element Title:	Classification of Instructional Program (CIP) Code Degree/Award Conferred
Short Title:	DEGCIP
Reference Number:	GR080
Definition:	The Classification of Instructional Programs (CIP) Code that is applicable to the degree or award being reported. The six digit Classification of Instructional Program (CIP) codes (which define operating Postsecondary programs) will be used in this field.
Coding Options:	Refer to the U.S. Department of Education, National Center for Education (NCES) Statistics Classification of Instructional Program (CIP) codes in Appendix E. Note: The CIP Code reported for this element must be a valid entry for the reporting institution in the Alabama Commission on Higher Education's Academic Program Inventory or a certificate recognized by ACHE. NCES will be implementing new CIP codes for Fall 2004 completions (2003-2004) on a voluntary basis. The implementation schedule is mandatory for Fall 2004 Enrollment and Fall 2005 completions (2004-2005). ACHE will implement the new CIP codes for ALL data submissions at one time. Beginning academic year Fall 2004, ACHE will require implementation of new CIP codes for all data submissions. An institution may choose to implement the new CIP codes prior to Fall 2004; however, the institution must continue to report to ACHE using the current CIP code structure until Fall 2004.

Element Title:	Degree/Award Designation
Short Title:	DEGDES
Reference Number:	GR090
Definition:	Each award (degree/diploma/certification/) conferred to a student will be reported by the institution making the award.
Data Specifications:	It will be reported in the first graduation file submitted subsequent to posting the award to the institution's student data system. If more than one award from the reporting institution is posted for the student during the reporting term, each award (up to three awards) will be reported using the following codes:
Coding Options:	01 Awards of less than 1 academic year 02 Awards of at least 1 but less than 2 academic years 03 Associate's Degree 04 Awards of at least 2 but less than 4 academic years 05 Bachelor's Degree 06 Postbaccalaureate Certificates 07 Master's 08 Post-Master's Certificates 09 Doctor's Degree 10 First-Professional 11 First-Professional Certificates
